**Facilities:** The party room is located at the end of the main room on the left hand side of the Magic Crystal Tree. The room includes counter space and a sink.

**Departures:** We wish to offer a fun, clean party experience for everyone. With only an hour between parties for clean up, it is very important that you show courtesy to the next guests and leave the party room on time.

**Deposits:** Full payment is due at the time of booking to hold your reservation. The party fee is 100% refundable if you cancel 30 day prior to your party date.

**Cancellation Policies:** If you cancel within 30 days of your party date, we will help you reschedule your party for another date. Cancellations made within 7 days of your scheduled party date are charged a \$25 fee.

**Date Changes:** You are always welcome to reschedule up to 1 week prior to your party provided we have that date and time available.

**Cancellations for Inclement Weather or Unforeseen Circumstances:** From time to time, BabyLand General must close for bad weather due to ice and snow. If rescheduling is not possible, we will refund 100% of your payment.

**Decorations:** We provide all the Cabbage Patch Kids decorations for a festive Birthday Party. Please do not attach anything to our walls, decorate with confetti or use silly string.

**Food and Drink Policy:** Please confine all food and drink to Otis Lee's Party Room. Food and drinks are not allowed inside BabyLand General Hospital since some of the Cabbage Patch Kids are allergic to different foods, especially chocolate!
